Soundview Hall Dedication

On Friday, September 25th, 2009, members of the University community gathered for the dedication of Soundview Hall, the newest residence hall on campus. The \$43 million building, housing 402 students in single and double bedrooms on five stories, offers views of the Long Island Sound and the City of New Haven.

Henry C. Lee Institute of Forensic Science Groundbreaking

At noon on Friday, September 25th, 2009, state and local dignitaries joined UNH students, faculty, and staff for the groundbreaking of the Henry C. Lee Institute of Forensic Science. The 15,649 square-foot facility, expected to be completed in the fall of 2010, will house classrooms, offices, a Forensic Crisis Management Center, and forensic and crime science technology learning center.

Summer Orientation, Advising, and Registration

WELCOME WEEK

Residential Life

BETHEL HALL

RESIDENT DIRECTOR: KARRI CERVERO.

RESIDENT ASSISTANTS: ANTONIO ESPOSITO, SCOTT KAZAR,
CHELSEA KEEL, DAVID MCKINNEY, CARMEN PAULINO,
AND RAVEN SHELTON.

ACADEMIC PEER MENTOR: JESSICA WARNOCK.

BIXLER HALL

RESIDENT DIRECTOR: DENISE WATTS.

RESIDENT ASSISTANTS: CASSANDRA ELEFANTE, JESSICA HYDOCK, JOE IUCCI, ALYSSA KOEHN, CODY SAVOY, MAGGIE SCHMUHL, JAVIER STEVENS, AND NICOLAS STEVENS.

ACADEMIC PEER MENTOR: JAMES WIGHTMAN.

BOTWINIK HALL

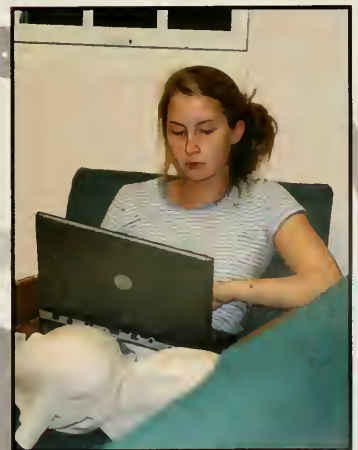

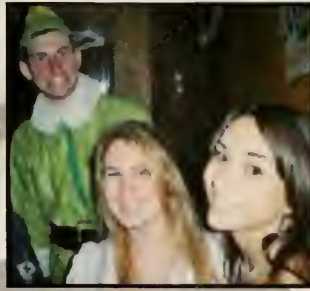

RESIDENT DIRECTOR: ABIGAIL JACKSON.

RESIDENT ASSISTANTS: JAQULYN BARTOMIOLI, KRISTINA
BENSLEY, ASHLEY COOK, MATT EZZO, DANIELLE LATTY,
STEPHANIE MORRA, AND SARAH WILLIAMSON.

ACADEMIC PEER MENTOR: BRADLEY PARCELLA.

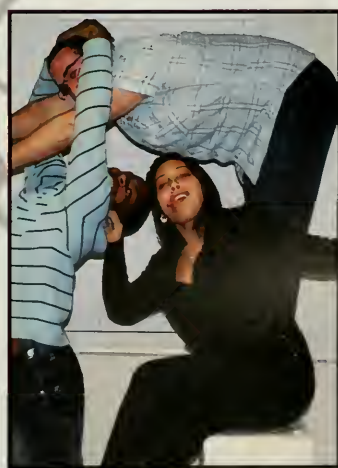

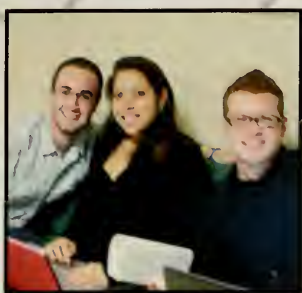

DUNHAM HALL, RUDEN STREET, & CAMPBELL HOUSE

RESIDENT DIRECTOR: SAM SULLIVAN.
RESIDENT ASSISTANTS: STEPHAN BRAYE, SUE-ELLEN
CONSOLATI, TYLER SALOVIN, AND SHAWN TREMBLAY.

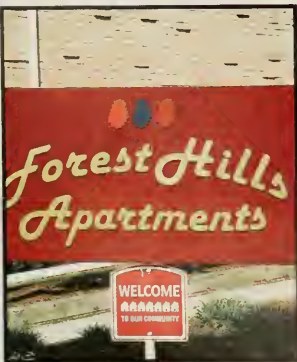

FOREST HILLS APARTMENTS

RESIDENT DIRECTOR: KRISTIN HELLER.

RESIDENT ASSISTANTS: JES ALEXANDER, BRANDON FITZGERALD,
STEPHEN JOHNSON, AND BRIAN RICCI.

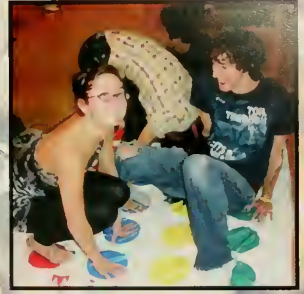

NEW HALL

RESIDENT DIRECTOR: JAKE GOTLIBOSKI.
RESIDENT ASSISTANTS: VICTORIA AMICO, CORI BARBOZA, MEGAN FIMBEL, STEVE SANTORO, LIAQAT SARABI, AND WILL THOMPSON.
ACADEMIC PEER MENTOR: DANTE LEPORE.

SAVIN COURT & REGENCY APARTMENTS

RESIDENT DIRECTOR: ROBERT H. H. H.
RESIDENT ASSISTANTS: ANDRE GRAHAM, ROBERT H. H. H.,
VANESIA HERTUBISE, AND CORINNE MED. AVE.
ACADEMIC PEER MENTOR: SEAN MURPHY

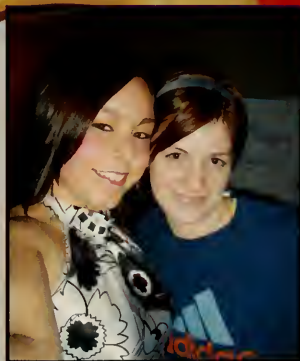

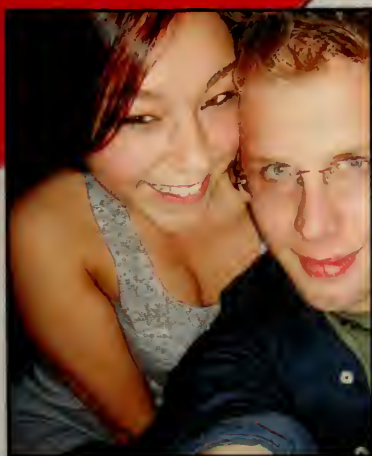

SHEFFIELD HALL

RESIDENT DIRECTOR: JOHN DUNAY.
RESIDENT ASSISTANTS: JAYE BENNETT, GREG KLATTE,
KAITLIN ROHONCZY, AND SEAN SPAIN.

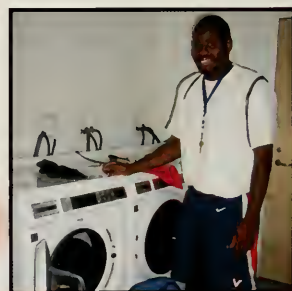

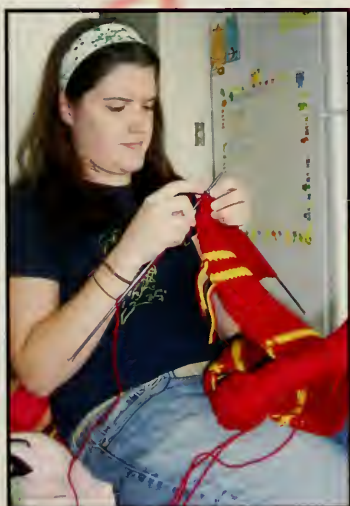

SOUNDVIEW HALL

RESIDENT DIRECTOR: BRIAN JACKSON.

RESIDENT ASSISTANTS: JUSTINE ALVAREZ, PAUL BRADLEY, AMANDA
GOOD, SARAH HOSFORD, OWEN LENNON, MIKE MATSEUR, KAT
ONORATO, PRESCOTT NADEAU, MADISON SOLDANO,
AND MARIA SOSA.

WINCHESTER HALL

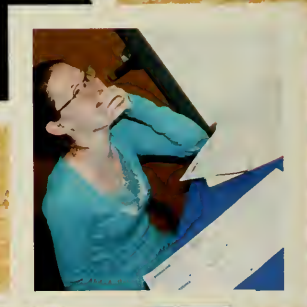

RESIDENT DIRECTOR: NOAH SADY.

RESIDENT ASSISTANTS: ALLISON HOUSHOLDER,
MATT KAVALER, MIKE MILUM,
AND AMY SALAHEDIIN.

College of Arts and Sciences

Ronald H. Nowaczyk, Dean

The College of Arts and Sciences offers students thirty-four varying majors and concentrations. Highly-ranked programs; professionally-trained and well-versed faculty; and high-technology facilities such as CAD and Mac labs, a fully-functional dental clinic, and the Laurel Vlock Center for Convergent Media help make the college an exciting and impressive axis of both cultural and scientific scholarship and merit.

Henry C. Lee College of Criminal Justice & Forensic Sciences

Richard H. Ward, Dean

Studying in fields that lend themselves to directly making an impact on the community, students of the Henry C. Lee College of Criminal Justice and Forensic Sciences leave the University not only with a degree from an internationally-renowned school, but also with proven knowledge in their field. State-of-the-art technology and instruction from nationally- and internationally-recognized professionals combine to contribute to the success of twenty-seven majors and concentrations.

Tagliatella College of Engineering

Barry Farbrother, Dean

The Tagliatella College of Engineering strives to prepare students for the twenty-first century workplace. With fields changing dramatically in recent years and showing no signs of slowing down, the innovative programs continue to provide solid educational foundations through contemporary approaches, up-to-date laboratories and equipment, and extremely qualified professors and speakers who impart professional insight and advice to the next generation of chemists and engineers.

Clubs and Organizations

USGA

**Christopher Rinck, President.
Christopher Dempsey, Vice President.
Heather Brown, Treasurer.
Deshawn McGregor, Sergeant-at-Arms.
Darianna Frometa, Executive Assistant.**

The Undergraduate Student Government Association (USGA) is the organization on campus that represents every undergraduate student in every aspect of campus life. The student-run organization meets weekly to address student concerns, discuss campus issues, and program events.

Each student at the University pays a student activity fee, which is used to fund all USGA activities and provide every USGA-recognized club and organization on campus a budget to program special events.

The USGA was in charge of overseeing approximately 60 clubs and organizations this year, a number that truly represents the diversity of interests, academic disciplines, and cultures that exist on campus. Each of these organizations was given a portion of the nearly \$1.2 million USGA budget to program a variety of social events, including off-campus trips, talent shows, concerts, comedians, carnivals, cultural awareness events, and game shows. Students also participated in an unprecedented number of community service activities throughout the greater New Haven area.

Students served on a number of standing committees to address student concerns with food, health and safety, academics, technology, and more. Other committees such as Community Relations and Community Service are used to reach out to the surrounding region.

By principle, every undergraduate student is a member of the USGA. As always, the organization is proud to help encourage a wealth of change and improvement across the campus to benefit the students.

The Charger Bulletin

The Charger Bulletin is the official student newspaper of the University of New Haven since 1938. Reporting on national news, local news, and on the things that take place right here on campus, our staff writers work hard every week at covering the stories that are most interesting to students at UNH and the community around us. Our flourishing Arts & Entertainment section covers everything from music and film reviews to gallery openings. We praise our Charger athletes on all of UNH's sports teams, from football to lacrosse, in addition to highlighting sports on a national level. Our editorials, from editors, staff writers, and the university community, raise issues and cause controversies: but most importantly, they get people reading and thinking. Practical features such as the Charger Bulletin Board and university advertisements keep the UNH community in the know, while features like the ever-popular positive/negative recap The Charger Battery, Shawn's Hotties of the Week, comics, and puzzles are fascinating and fun for readers. With our great staff writers and photographers, The Charger Bulletin continues to be something that the university community enjoys reading and remains the first place students turn to for news. Our initiative at The Charger Bulletin is to inform the University of New Haven students and faculty about what matters most to them. In addition to producing weekly printed issue of the newspaper, The Charger Bulletin can also be read online at www.ChargerBulletin.com, which has daily updates to it in an effort to continue to educate the UNH and local community with an emphasis on living green instead of printing more issues throughout the week.

Zack Rosen, Editor-in-Chief; Erin Ennis, Assistant Editor.

Staff Writers: Stephen Acevedo, Glenn Altshuler, Michael Barone, Jason Beauregard, Miriam Correia, Liz De La Torre, Angela Eklund, Courtney Faber, Zach Gzehoviak, Stephen J. Chariot Yearbook

The Chariot Yearbook staff is a group of individuals who are passionate about memories. Our responsibility is to record day-to-day life at the University of New Haven in classrooms, residence halls, special events, and student government; at sporting events; and everywhere in between.

The 2009-2010 publication of the Chariot Yearbook has seen the largest and hardest working staff in the history of the Chariot. We have greatly enjoyed documenting the events of the past year and compiling them into the 216 pages you are now holding.

Rachel E. Barton, Editor-in-Chief; Jessica Negrón, Assistant Editor.

Sereena Aragon, Jocelynn Balon, Sara Brookes-Bertolatus, Brittany Bruton, Jennifer Cravo, Jennifer Cross, Nicole Denny, Sarah Dougherty, KaitLynne Foote, Audrey Montgomery, Dayna Morel, Deena Mundle, Erika Roberts, Gabriela Sacchi, Mary Tsaltas, and Yesenia Villaneda.

SCOPE

The Student Committee of Planning Events, commonly known as SCOPE, is the student-run programming organization made of several committees: Comedy and Lecture, Day Programming, Film, Halloween and Spring Carnival, Special Events, Technology, and Weekend Programming.

These committees plan unique and exciting programs for the enjoyment of the entire student body, including Inflatable Fun Fest, Rock-n-Roll Week, Film Week, Halloween Haunted House, Spring Concert, and Spring Carnival. SCOPE also hosts weekly movies, monthly Beanhouses, various performers, and a plethora of off-campus events.

Glenn Altshuler and Lindsay Lynch, Co-Chairs.

Committee Heads: Courtney Faber and David McKinney (Weekend Programming), Matt Shaw and Dan Markwat (Technology), Rachel Nichols and Jen Cross (Halloween and Spring Carnival), Farren Sandquist and Annie Lucarelli (Comedy and Lecture), Sarah Mattson and Michelle Morra (Day Programming), Tyler Salovin and Nick Shirley (Film), and Jackie McCreedy and Victoria Amico (Special Events).

5-6-7-8 Dance Team

● The 5-6-7-8 Dance Team is a dynamic group of students who strive to showcase their love of dance in the community and on campus. The Team also aims to promote athleticism on campus through a dance medium in small showcases, workshops, classes, and campus activities. The Dance Team prides itself on being diverse, and its members are trained in various styles of dance, including: ballet, tap, jazz, Irish step, theatrical, lyrical, modern, and hip-hop. Entirely self-choreographed, the 5-6-7-8 Dance Team also aims to involve its team members in consistent dancing opportunities to expand their horizons.

The Alpha Lambda Delta National Honor Society chapter at the University of New Haven prides itself on continuing its outstanding academic achievement while helping UNH and surrounding districts with community service events, such as charity fundraisers and walks, beach and park clean-ups, Toys For Tots, and other events sponsored and co-sponsored by ALD and other organizations on and off campus

**Alpha Lambda Delta
Honor Society**

**Ambassadors for
Christ**

- Ambassadors for Christ (AFC), a student led club associated with Campus Crusade for Christ, is a Christian organization that brings young men and women together to praise God and mature their faith in Jesus Christ. We seek not only to mature as believers, but to share the Gospel message of salvation through faith in Jesus Christ with those who do not have a relationship with our living God. We participate in outreach and evangelistic events, fellowship, men's and women's ministries, small groups, community service, and more. There are numerous leadership opportunities for those students who seek to challenge themselves in their walks with God.

- The University of New Haven's chapter of the American Criminal Justice Association is a professional student-run national organization. Members of the organization strive to academically, professionally, and socially bring members together under the common chapter of Psi Omega and network with each other during and after each member's college career. Socially, members participate in various community service activities and trips to places such as state prisons and crime labs. Academically, members can work with each other and help each other in various classes at the University. As a nationally-recognized organization, the club also participates in regional competitions and awards scholarships to its members.

**American Criminal
Justice Association**

**American Society of
Interior Designers**

The American Society of Interior Designers is a community of people, designers, industry representatives, educators, and students committed to interior design. Through education, knowledge sharing, advocacy, community building, and outreach, the Society strives to advance the interior design profession, and in prowess, to demonstrate and celebrate the power of design to positively change people's lives. The University of New Haven's ASID Student Chapter recognizes the importance of networking with professionals, participating in community service activities and education. The Chapter attends and participates in professional events such as the annual ASID Awards Night, the ASID Fashion Show, and the ASID Career Night. The Student Chapter will continue to stay active within the surrounding communities by attending events such as coastal clean-ups and health awareness walks.

The Black Student Union is a cultural, social club that specializes in and promotes cultural awareness of African-American history. The Black Student Union brings awareness to the campus through its diverse programming such as the Soul Food Dinner, Def Poetry Jam, and Apollo Night. The motto of BSU is "looking back at our past in order to shape our future," and in doing so, BSU has been able to link its current members with past members in networking and business opportunities. As the Black Student Union continues to grow, so does the future it has to look back on.

Black Student Union

**Caribbean Student
Association**

The Caribbean Student Association is an organization that leads by example and takes pride in its three ideals: to educate, serve, and unite. The Caribbean Student Association is geared at implementing the need to celebrate our Caribbean culture and heritage at the University of New Haven. We strive to unify the different backgrounds and cultures on campus while promoting school spirit and self pride. We strive to reach our goal to Live, Serve and Unite.

We are the Chargers Pep Band, and we were formed in 1997. We are a completely student-run organization and have been since our inception. Throughout our years at UNH, we have grown from 5 to 30 members. We perform at home games for the men's and women's volleyball teams and men's and women's basketball teams. We also offer support to other teams through going to cheer them on and sponsoring giveaway events. With the return of football, we have teamed up with other clubs and organizations to offer tailgating. The Chargers Pep Band was the recipient of the Outstanding Campus Spirit Award three times (2003, 2006, and 2007), and also won the Club of the Year Award in 2007. Most recently, we placed second in the First Annual Homecoming Tailgate Competition. Our goal is to continue to support athletes and promote musical excellence through our continued campus involvement and musicianship while increasing the level of school spirit at the University of New Haven.

Chargers Pep Band

**College
Democrats**

The Democratic Party has always taken a keen interest in honest government, real security, energy independence, economic prosperity, affordable health care, retirement security, protecting our environment, civil rights and justice, election reform, and many other national issues. The University of New Haven College Democrats has made efforts to positively affect the UNH and local communities: registering students to vote, helping people fill out absentee ballots, voter information sessions, charities, and much more. The UNH College Democrats have goals ranging from local to national issues, and are well on their way to meeting all of them.

The Elm City Review collects, compiles, and redistributes the artistic expertise of the student populace in the fields of art, music, writings, and photography. We are a social and cultural club that is aimed at spreading the importance of creativity throughout the University. One of our main contributions to the University is the publication of our yearly Creative Magazine.

Elm City Review

Fire Science Club

The Fire Science Club participates in many different activities here at the University and in the surrounding communities ranging from community service and public education to tours of fire service-related facilities and sponsoring guest presenters. Members are responsible for various events hosted by the Club, such as Fire Prevention Week, Alcohol Awareness Week, and Arson Awareness Week, as well as an annual bonfire and banquet.

The University of New Haven's Forensic Science and Chemistry Club is an organization geared towards students who are interested in academics or occupations in the forensic science and chemistry fields. The Club sponsors many activities, such as community service, on-campus lectures by prominent professionals in the field, and chemistry activities to raise campus acknowledgement of National Chemistry Week. The Club also travels off campus to local middle and high schools to teach forensic science classes. Each year, members of the organization attend locally- and nationally-recognized conferences. The organization is a proud part of the American Chemical Society, the American Academy of Forensic Science, and the Northeastern Association of Forensic Science.

Forensic Science and Chemistry Club

Frisbee Club

The University of New Haven Frisbee Club aims to attract diverse members of the UNH student body. We promote a fun and active environment for all participants. Traveling from tournament to tournament and teaching students teamwork develops each member into a responsible young adult. The Frisbee Club will continue to grow each year until it is the number one team in the area!

The Gaming Club of the University of New Haven brings together people who have a common interest in gaming. We play video games, card games, and board games; you name it, we'll play it. We plan campus-wide gaming events, including Game Week. We are all about creating an environment for people to get together and have fun. Our motto: Are You Game?

Gaming Club

Honors Student Council

The Honors Student Council was created because many Honors students felt that being in the Honors Program should be more than just fulfilling classroom requirements. With the help of Honors and non-Honors students alike, we aim to help to the community and have some fun with educational opportunities as well.

IEEE is one of the world's leading professional associations for the advancement of technology. IEEE's core purpose is to foster technological innovation and excellence for the benefit of humanity. Through its global membership, IEEE is a leading authority on areas ranging from aerospace systems and telecommunications to biomedical engineering, electric power, and consumer electronics. At UNH, IEEE serves as a resource for electrical engineering, computer engineering, and computer science students, providing its members with opportunities to enhance their academic, professional, and social lives. IEEE is an active student group, hosting two to three events per month. The goal of IEEE is to make sure its members have exposure to new technical advances in their fields and greater career opportunities.

IEEE

**International Students
Association**

The International Students Association provides assistance to the University's diverse international student population, which is composed of students from nearly fifty countries. The staff generally assists students with immigration matters; provides liaison with sponsoring agencies and foreign governments; coordinates campus and community services; and promotes interaction between the international population, the University, and the greater New Haven community. The presence of international students at UNH helps make the University a global village. Our campus community may be small in number, but it is vast in cultures, ethnicities, languages, nationalities, politics, religions, and traditions. ISA coordinates and organizes various programs and activities to encourage multicultural awareness and interaction with international students.

The Latin American Student Association (LASA) is an organization dedicated to increasing awareness of the Hispanic culture at the University of New Haven. It is geared toward educating the community about Latin American traditions, issues, and culture while striving to eliminate the common misconceptions about Latino culture.

**Latin American
Student Association**

Legal Society

The Legal Society strives to prepare and encourage students to further expand their knowledge of law through experience, inform the University community about legal topics, inform students about law school, and form a team that will compete at the American Mock Trial Association competitions.

The Music and Entertainment Industry Student Association (MEISA) is geared towards Music majors, especially those studying Music Industry or Sound Recording, but anyone can join as long as they have a passion for music! Being part of MEISA gives you excellent networking opportunities and real-life experience in the music business. Here at the University of New Haven, MEISA organizes concerts, off-campus activities, and charity events. This year, MEISA has worked on establishing their own record label on campus, and hope to have it ready by the 2010-2011 school year.

**Music and
Entertainment Industry
Student Association**

NAACP

The UNH Chapter of the NAACP was formed in spring 2006 and was first recognized by the University in 2008. Its purpose is to ensure the political, educational, social, and economic equality of rights of all persons and to eliminate racial hatred and racial discrimination. The organization also provides campus awareness and solutions to campus and nationwide social justice issues. We host discussions, community outreach programs, informational sessions, workshops, summits, and social fundraisers and benefits for not only the UNH community but the Greater New Haven Area.

The UNH Chapter of the National Society of Black Engineers (NSBE), which was awarded the Small Chapter of the Year Award for 2006-2007, is part of a national organization that leads by example and whose mission is to “increase the number of culturally responsible Black engineers who excel academically, succeed professionally, and positively impact the community.” NSBE has over 23,000 members and is the largest student-managed organization in the country. It is composed of 270 college and university chapters and 75 alumni outreach chapters nationwide, as well as 75 pre-college chapters worldwide. The organization is open to all races, cultures, creeds, and professions.

**National Society of
Black Engineers**

Paintball Club

UNH Paintball Club is a group of people who simply enjoy the game of paintball. We are a social club that does a lot of activities and movie/food nights and enjoys doing community service. We play at Yankee Paintball in Oxford, CT, and try to go every weekend; it is never required to go but the option is always there.

The Paranormal Investigation and Research Organization has grown and thrived since it was founded here at UNH in 1998. The Organization is now over 60 members strong, with representation from various majors who love having a place to talk about paranormal topics. As the Organization continues to grow, so does its reputation in the world of paranormal investigation. Members made history in 2008 by participating in the world's largest known collaborative effort for an investigation. Paranormal Awareness Week was put on from October 25-31 and was filled with activities for the whole campus to enjoy; kicking off with a day trip to Salem, Massachusetts, guest speakers, a psychic fair, and harvest party, and culminating with a costume ball!

PIRO has grown more progressive and proactive in its practice as a proficient paranormal investigative team.

**Paranormal Investigation
and Research Organization**

**Club photo not
available at time
of printing.**

Psychology Club

The University of New Haven's Psychology Club strives to be actively involved in the community, as well as on the UNH campus, through charity events, community service, guest speakers, and volunteerism with professionals and organizations related to the Psychology field of study.

● UNH SCUBA Club members are real divers, not those who dive once a year in warm tropical waters. The UNH SCUBA Club offers courses each semester, ranging from basic level to advanced diver certifications and even refresher courses. Certified Divers also have the chance to take certifications in underwater photography and night diving. Aside from diving and attaining lifetime internationally-recognized certifications, UNH SCUBA is active in the UNH and surrounding communities. We organize and participate in several community service and fundraising activities throughout the year.

SCUBA Club

**Students Making an Impact
on their Living Environment**

Students Making an Impact on their Living Environment (S.M.I.L.E.) is a club dedicated to community service. Members take part in helping with various walks such as Light the Night for leukemia and lymphoma and Walk MS for multiple sclerosis. The club is also involved with Habitat for Humanity. We spend time down at St. Mary's soup kitchen helping cook and prepare meals. We are also involved with food collections during Easter and Halloween, do food drives, hold many fundraisers throughout the year, and promote Alcohol Awareness Week and Breast Cancer Awareness Month. We also have organizations like Invisible Children and Flying Kites speak about current crises regarding children in Africa. SMILE also teams up with other clubs on campus to do beach and park cleanups.

The purpose of the Sports Industry Club is to give students an inside look at the sports industry, facility management, personnel management, facility safety, marketing, and general administration by meeting with and networking with executives and personnel from the four major sports leagues (MLB, NFL, NHL, and NBA), minor leagues, and other collegiate athletic departments and marketing firms. The Club also serves as a social environment that allows students to enjoy the sports world to the fullest extent in their leisure time.

Sports Industry Club

**Surf/Ski/Snowboard
Club**

The University Surf/Ski/Snowboard Club has a large membership each year of ambitious students who live for surfing, skiing, and snowboarding. The Club is environmentally friendly and the members are avid volunteers at beach clean-ups, nature festivals, winter festivals, and other community service projects. The Club plans multiple surf trips throughout the year as well as weekend ski trips to Maine and Canada.

The UNH Elite Step Team, consisting of 25 members, was founded in the Fall of 2007 by sophomores Natalia Kennedy and Danielle Latty. Elite Step Team has performed at numerous on- and off-campus events, and has earned first and second place trophies from some of them. Elite has brought a unique form of entertainment to the University while promoting diversity and individuality. The Team wishes to continue to represent the University and to enhance the growth of its members.

UNH Elite Step Team

UNH Green Team

The UNH Green Team provides a medium to those students wishing to build a more sustainable and eco-friendly campus community. We promote environmental awareness, reduce the impact we have on our global environment, and bring students and faculty together to achieve this common goal. The UNH Green team acts as the voice of the environmentally concerned student body who don't have the capability to make a significant change on their own. This group of students is exceptionally passionate about our environment, and is dedicated to making changes for the better here on campus.

The University of New Haven Ice Hockey Club is a group of dedicated hockey players who compete in Division II of the American Collegiate Hockey Association. The club enjoys providing safe and fun events for the students of the university to enjoy. The team also allows students to display their school spirit at every home game.

UNH Ice Hockey

Victimology Club

As members of the University of New Haven's Victimology Club, we promote awareness of victim rights on campus, while endorsing a unified voice for both academics and practitioners. We also strive to eliminate discrimination of all types, and against all people. The Victimology Club hosts many events during the year. Take Back the Night, our largest annual event, brings awareness about domestic violence to the campus community. The annual Jessica Santos Walk is held each spring, in memory of a UNH student whose life tragically ended early in a drive-by shooting. We participate in numerous community service activities including community walks, working with food and clothing pantries, and volunteering.

The Victimology Club continues to grow every year and to expand its participation in events both on and off campus.

The UNH Wrestling Club is the first wrestling organization at the University of New Haven. As a club, we have the opportunity to bring in those who have never had a chance to participate in this sport. We strive to improve upon our own abilities on and off the mat. Wrestling is not simply one's ability to overpower the opponent, but also gives the practitioner a chance to master the technicalities of the sport, and treat a match much like a chess game, where you plan numerous moves in advance. Wrestling is one of the few sports in which your success and your failure depend on you. We practice as a team, pushing each other to our limits, but once you are on the mat you are the only one who can decide the outcome. Our goal is to push ourselves to discover our own limitations and surpass them, not only physically but also academically.

Wrestling Club

A-Team

The Admissions Team is a volunteer organization that provides tours to prospective students and their families. We volunteer at numerous events sponsored by the Undergraduate Admissions Office, including Open House, Accepted Students Days, Charger Days, and more. The Admissions Team also participates in other University events.

Active Minds UNH was established on campus in the spring of 2009, and is now recognized by the Active Minds national organization. Our primary goal is to create awareness of mental health issues affecting college students on campus and to reduce the stigma surrounding mental illness. Members serve as liaisons between the University of New Haven student body and the mental health community by handing out information packets and hosting and organizing events such as guest speakers and charity fundraisers. Through up to date information and involvement, members of Active Minds UNH aim to help students find counseling for mental health concerns, substance abuse related problems, and learning disabilities; and provide students with resources to help those they care about.

Active Minds

The American Institute of Chemical Engineers aims to promote the professional development of its members and contribute to the development of chemical engineering at the University of New Haven.

Anime Club

Anime Club is a club formed so that people who are interested in anime, also known as Japanese animation, can meet other people who also like anime. We follow along with Japanese pop culture and analyze the transformation, influences, and troupes that have occurred since its creation. During the course of the school year, the club will put on events related to anime and manga, along with trips to Anime Conventions and New York City. Our club meetings allow members to take a break from their hectic school life and sit back for two hours and enjoy some anime.

The Ballroom Club is a social club whose goal is to promote the interest in ballroom dancing. The club is open to all students holding an interest in ballroom dance and who want to spread this interest throughout the UNH community. Members learn, practice, and expand repertoires together as well as plan events in which to showcase the dances and teach others. Through such events, the club hopes to spark an interest in ballroom dancing to others, achieving their goal.

Ballroom Club

The Biology Club is a new club on campus that allows students who enjoy biology to express that interest through the club. We participate in competitions against other clubs, as well as have friendly games within the club. We are also involved with other biology clubs in neighboring colleges. In addition, we are also participating in community service projects such as Up Til Dawn. We also have socials within the club that help to bring our club together.

Biology Club

EMANON
Dance Team

● The University of New Haven Dance Team, also known as the Emanon Dance Crew, has been active on the UNH campus since the 1990s. Recently, they have been recognized under the Athletics Department as a Spirit Group. Emanon performs hip-hop, jazz, ballet, lyrical, tap, cultural routines and all other genres in between. They perform at football and basketball game halftimes as well as their Annual Showcase and many other on- and off-campus events. Emanon strives for excellence in all that they do and prides itself on diversity and unity among the team. The dancers come from varying backgrounds and training and each member has the opportunity to choreograph and showcase their talents throughout their performances.

● Engineers without Borders supports community-driven development programs through the design and implementation of sustainable engineering projects and fostering responsible leadership. We promote the professional development of members through programs and relations with other student chapters.

Engineers
without Borders

Science Fiction and
Fantasy Club

● The Science Fiction and Fantasy Club (Sci-Fi Fan) is a social club where students can meet others interested in the science fiction and fantasy genres in a positive environment. Since Science Fiction and Fantasy are such broad genres, the club brings people from all different backgrounds together where they can participate in events, activities, meetings, committees and more. Sci-Fi Fan promotes entertainment and diversity as we have fun and celebrate two misunderstood genres. Sci-Fi Fan holds a variety of events to entertain and enlighten the campus community such as movie nights, game nights, discussions, and promotions of campus-wide recognized weeks like Alcohol Awareness Week.

Delta Epsilon Beta

"Unity Through Diversity"

The Delta Epsilon Beta sorority was originally founded at Bloomsburg State College in 1966, and the sorority's ideals were brought to the University of New Haven in the Fall of 1998. DEB is primarily involved with issues concerning women and children. The sorority participates in events such as the Annual "Sleep Out for the Homeless," which is an opportunity to raise over \$2600 for Life Haven, a New Haven shelter. The sisters help surrounding communities with events such as Christopher Martin's Christmas Run for Children, Light the Night Walk, and the Hartford Marathon, as well as organizations including Women's Build and Habitat for Humanity. DEB devotes themselves to collecting items each semester for Columbus House and helping out in other shelters in the surrounding New Haven community. They also put on school-wide events every year, such as the Easter Egg Hunt and Sunday Night Football.

Delta Phi Epsilon

Esse Quam Videri - To Be Rather Than Seem to Be

Based on our founding principles of justice, sisterhood, and love, the University of New Haven's Gamma Epsilon chapter of Delta Phi Epsilon was founded on May 12, 2007 by 25 women. Since then, we have grown to an organization of 43 women who stand side-by-side, sharing a common belief that is our motto: *Esse Quam Videri*-to be rather than seem to be.

One of Delta Phi Epsilon Sorority's goals is to provide our members with positive experiences that promote personal growth, develop a caring and supportive environment, and encourage service to the community and society. By enhancing our talents, strengths, and skills, we will be prepared to contribute as not only members of our sisterhood, but to the world.

"DELTA CHI - THE BROTHERHOOD OF A LIFETIME"

The brothers of the New Haven Delta Chi Fraternity, Inc, started the year off in July and August with their 56th annual convention in Las Vegas, NV. The undergraduates enjoyed a great time with the alumni on the strip and had many sessions on improving their fraternity life here on campus. The chapter was one of the best chapters in raising money for the V Foundation for cancer research, and was rewarded for officer excellence, intramurals, and philanthropy excellence. The brothers continued their community service efforts in the New Haven area with the Special Olympics Bowlers and attended the Lupus and ALS walks at the Point Park in New Haven. The brothers' bi-annual American Red Cross Blood Drive had a massive turnout, and the brothers would like to thank the UNH community for their help. Delta Chi had socials and intramural events with the sorority sisters of Delta Phi Epsilon and Phi Sigma Sigma including Monday Night Football parties, flag football, kickball, and hiking up the Sleeping Giant Mountain. The brothers also celebrated their founding in October at the Nathan Hale Park in New Haven and many of the surrounding alumni attended the party. In the spring, the brothers will be participating in the annual Active v. Alumni Softball Game, which is sure to be a lot of fun. In November, we had our annual White Carnation Formal at the Villa Bianca and had fun with the Alumni. As the year went on, we grew as brothers and students and are looking forward to meeting the new freshmen students in the Spring.

**"YOU ARE A STUDENT FOR FOUR YEARS, YOU WORK
FOR TWENTY, BUT YOU ARE A BROTHER FOR LIFE."**

The fraternity of Kappa Gamma Rho was founded on April 16, 1997. We are largely a community service-based fraternity with social ideals. The brothers of Kappa Gamma Rho believe that brothers come before anything else. The goals of Kappa Gamma Rho include promoting good will in the surrounding community; enhancing Greek and student life on campus; and promoting quality, diversity, and unity through Greek life. We work hard with the University to have students participate and have an active role in the University student government. One of our biggest events is the bi-annual Say What Karaoke, which is held each semester. We also co-sponsor many school events and participate in outside community events such as the Lupus Walk, Diabetes Walk, and MS Walk, and volunteer at various soup kitchens in the greater New Haven area.

"BE TRUE"

Sigma Alpha Epsilon, founded in 1853 at the University of Alabama, is the newest fraternity on campus. SAE Connecticut Nu Eta officially became a colony at the University of New Haven on September 20, 2009. Nationwide, SAE brothers live their lives by The True Gentleman's Creed, which promotes the attributes of a well-rounded man. The men of SAE's Connecticut Nu Eta Colony will strive to become "True Gentlemen" as they help others through philanthropic as well as social events. Sigma Alpha Epsilon's national philanthropy is The Children's Miracle Network. The fraternity participates in community service events like coin drives for juvenile diabetes, clothing drives for underprivileged kids, and lending a hand in the children's after school program at the local YMCA, among many others. As a colony, the brothers of SAE are working toward recognition as an official chapter of Sigma Alpha Epsilon by Fall 2010. The brothers will be the Founding Fathers of Sigma Alpha Epsilon at the University of New Haven.

Hermanidad de Sigma Iota Alpha, Incorporada

"Semper unum et Inseparabilis"

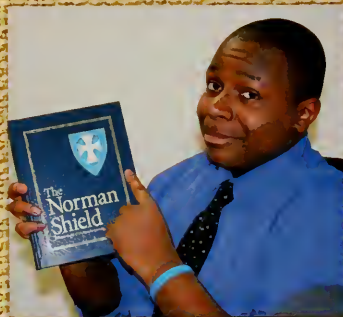

Hermanidad de Sigma Iota Alpha, Incorporada was founded on September 29, 1990 in four founding schools in the state of New York. The Alpha Lambda Chapter at the University of New Haven was founded on January 13, 2006, becoming the first undergraduate chapter in the state of Connecticut. SIA strives to promote education and unity among women. We strive to foster a sense of pride for our heritage, and in doing so hope to abolish ignorance, prejudice, and racism in the society at large. Our sorority strives to serve our community by participating in local, national, and international causes. We encourage all women, whether they are in the Hermanidad or not, to promote a diverse cultural and social environment. Our endeavor is to work as sisters united through common goals; however, we value personal identity and individualism. Through the bonds of sisterhood, we develop leadership, scholarship, sportsmanship, and friendship.

**"IN HOC SIGNO VANCES-
IN THIS SIGN, YOU WILL CONQUER"**

The fraternity known today as Sigma Chi was founded in 1855 after six members of the Delta Kappa Epsilon Chapter in Miami, OH, were disbarred after questioning the principles of the chapter. James Caldwell, Isaac Jordan, Benjamin Runkle, Franklin Scobey, Thomas Bell, and Daniel Cooper felt that a fraternity's structure should be based solely on justice, and rewards based on merit and honesty. Shortly after being disbarred, the six members came into contact with William Lewis Lockwood who possessed remarkable organizational talents which led to the birth of the Sigma Chi Fraternity.

Fittingly the three ideals of the founding fathers (friendship, learning, and justice) are to this day the underlining elements of the Sigma Chi Fraternity. Sigma Chi believes in diversity, and with diversity comes a variety of opinions and points of view, which leads to a vast amount of opportunities and advantages for our organization. Our fraternity encourages independence for congenial and genuine friendship, which we believe is the only structure for associations dealing with collegiate brotherhood. A long-lasting tradition of Sigma Chi reads "men possessed with different temperaments, talents, and convictions," which states that we are an organization that encourages you to be yourself because we believe that a wide variety of different talents will only result in the best for our organization.

The Lambda Epsilon Chapter of Sigma Chi, which was established at the University of New Haven on May 10th, 2009, was started as an interest group by 24 guys who worked their way into create a colony known as Sigma Chi Lambda on March 14th, 2008. After a year and a half of hard work, dedication, and the ambition of 38 plus members, the Lambda Epsilon chapter was initiated thanks to the help from Headquarters, Yale, University of Connecticut, Western Connecticut State University, and more.

Phi Sigma Sigma

"Diokete Hupsala"

The Iota Mu chapter of Phi Sigma Sigma was founded at the University of New Haven on April 28, 2007, by twenty-six women who believed that anything could be achieved through hard work and dedication. Originally founded in 1913, Phi Sigma Sigma believes in inclusiveness, leadership through service, and lifelong learning. The Iota Mu chapter has seen great success in the three years it has been on the University of New Haven campus. They raise money for the Phi Sigma Sigma Foundation, their international philanthropy and a main sponsor of the National Kidney Foundation, by holding their annual Rock-a-Thon. They also hold fundraisers throughout the year to raise money for their local philanthropy, the American Heart Association's "Go Red for Women" campaign. Each and every member contributes not only to her chapter, but also to the University by standing by their open motto, "Aim high." Once a Phi Sigma Sigma, always a Phi Sigma Sigma!

Chi Kappa Rho

"Share the Friendship and Spirit"

Chi Kappa Rho Sorority was founded by nine freshmen women in 1963. XKP is a secret sorority that thrives on community service and social events at the University of New Haven and in the local community. We believe in promoting a better understanding and friendship among the women at the University of New Haven. In addition to helping the community, XKP lends a hand to the University for numerous events including the Alumni Ball.

Our founding advisor, Virginia M. Parker, is honored annually with a scholarship in her name. We are the only Greek organization on campus to have a scholarship. All proceeds are raised via our annual Fashion Show that takes place every Spring semester. Other major events include our annual Pie Throw, which takes place in the Fall and all proceeds are donated to Mothers Against Drunk Drivers. We also hold our annual Sweetheart Ball, a formal that is held on or around Valentine's Day.

Class of 2010

At the University of New Haven, we
provide world-class career
programs in all of our programs,
with the overarching goal is to pre-
pare students to lead meaningful
lives.

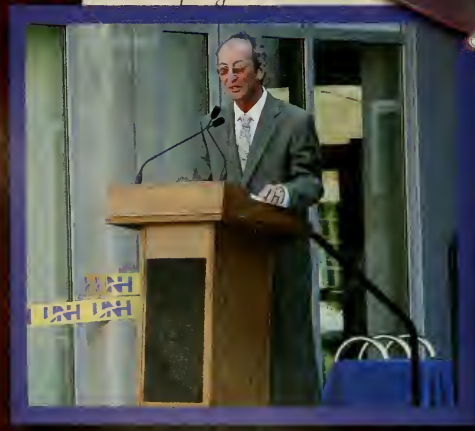

courses in the arts,
and sciences we cultivate
humanity; and by i
experiential learning in
programs – through
emphasis as community
relationships, student-faculty
and student self-governance
our students for leader-
ship and as members

Commencement
(2009-2010 Academic Year)

January 16:
Winter Commencement

May 16:
Spring Commencement

Dear Graduate,

I extend my sincerest congratulations to you on the completion of your degree. A college degree is truly an achievement of intellect and effort, and you are to be commended.

As you ponder your future plans, remember that your degree from the University of New Haven is more valuable than ever. The University's goal has been to prepare you for a meaningful life, both personally and professionally, and to instill in you a sense of social justice and civic responsibility. You are now equipped with a comprehensive education and are well prepared to take on the challenges of our times, from the economic recession to the specter of global warming. I urge you to accept those challenges, and strive to improve the lives of others whenever you have the opportunity.

I hope you also take a moment to express your gratitude to the members of the UNH faculty and staff who have helped prepare you for this milestone in your life. Your professors at UNH have given you foundations and concepts in their individual disciplines and have taught you how to apply them to the real world.

Thank you for letting the University of New Haven be a part of your life. I encourage you to return to campus often, and to include the University in your future. We are proud of you.

With my very best wishes,

A handwritten signature in dark ink, appearing to read "Steve Kaplan", with a stylized flourish at the end.

Steven H. Kaplan
President

USGA Meeting Dates

November 30th
December 7th

I am looking forward to
working very closely
and every one of you
and hopefully accomplish
many great things.

Class of 2010,

I would like to first congratulate all of you as you are now a graduate of the University of New Haven. You have all studied hard, crammed for tests, and now you can be proud to call yourself an alumnus of the University of New Haven.

As I look back over my time here, I can say that I am extremely fortunate to have been involved with many different things. I'm sure that I have crossed paths with many of you over the last few years whether through classes, USGA, clubs, or even just around campus. I personally have benefited from these experiences. Sharing ideas, sharing laughs, and seeing the different points of view has helped me to become much more objective in how I view things. Our diversity is what has helped us all grow.

I want to thank you for allowing me to serve as your student government president. You have taught me so much about myself and allowed me to grow into the person I am today. For your support, I am truly thankful.

As many of you have, I have been preparing to graduate for the last four years. After every semester and after every registration period, I would feel like I was getting closer and closer to my goal of graduation. Now that I am here, a big part of me is not ready to leave the University of New Haven. For the past four years, UNH has served as a home for me. I have made friends for a lifetime, grown close to staff members, and have created memories that I will look back on for years to come. And at the end of the day I am not sure if I ready to let that all go.

But as we move away from UNH, where we will all go and what we will all do is uncertain. However, we have all spent the best years of our lives here at UNH together, and no one will ever be able to take that away from us.

Congratulations to the graduating class of 2010, and the best of luck as you go on your way.

Best,

Christopher Rinck
USGA President

CLASS OF 2010
AUGUST 2006

Personal Displays of Affection

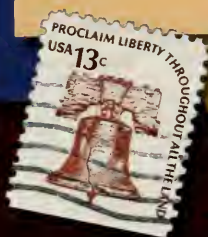

Drew Allen

Congratulations
Drew!

You worked really
hard and we are
proud of you.

Love, Mum, Dad,
Jenna, and Jazzy

Rob,
When I first held you in my
arms and you looked at me
with those big curious eyes I
should have known what an
amazing ride it would be.
Love, Mom

Rob,
We love you very much and
know you will achieve much
success in your lifetime. Never
stop believing in yourself.
Love, Mom, Dad, Jill, and Joey

Robert Arayaes

300 Boston Post Road
West Haven, CT 06516

Parents do not realize when their
daughter is a child how fleeting the
moments truly are. And in the blink
of an eye, the little girl who did
pirouettes down the hall is dancing
her way through her own life...What
a joy it was then, what a joy it is now,
what a joy it will always be-having
you for a daughter!

Kayla,
Congratulations and best of luck
always in your bright future. Words
can never express how extremely
proud of you we are! We love you
"MILL!"
Love, Mom, Dad, and Justin

Kayla Beaucage

300 Boston Post Road
West Haven, CT 06516

Rachel E. Barton

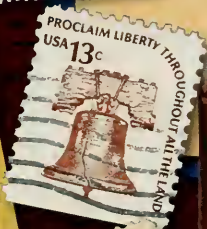

Rachel,

Wow! It seems like you just boarded the plane from San Diego to New Haven for your freshman year, and now you are graduating. We have watched as you sacrificed your free time to achieve your goals of completing your degrees and being editor of the yearbook. We are so proud of the woman you have become, and we know that you will succeed in life.

We love you and will always be here for you, whenever you need us!!

Love,
Mom and Dad

Kristina Benseley

Kristina,

We're so proud of you.
Congratulations!

Love,
Mom, Dad,
Keri, Karlee, Grammy,
and Kramer.

Robert Bergman

Rob,

We are all so proud of you!
We love you and wish you the best
of luck.

Love Always,
Mom, Dad, and Sabrina
XOXO

Heather Brown

Heather,

Look at how far you've
come! You always make us
very proud. You get to bag
'em and tag 'em. Great job
and best of luck!

Love,
Mom and Dad

Alyssa Biggs

300 Boston East Road
West Haven, CT 06516

Alyssa,

We are very proud of you! Good luck!

Love,
Mom, Dad, Jason, and Meaghan

Philip L. Christopher III

300 Boston East Road
West Haven, CT 06516

We'll love you forever.
We'll love you for always.
Forever and always
Our baby you'll be.

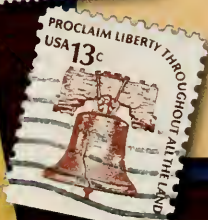

Love,
Dad, Mom, Jenna and Pat, Ashlee and Brian

Sara
Brookes-Bertolatus

A daughter is the happy
memories of the past, the
joyful moments of the
present, and the hope and
promise of the future.
Sara, dream big and follow
the dream. We are proud
beyond words.

Love,
Mom, Dad, Emily,
Mimi, Uncle Bruce,
and Casey

Christopher
Castillo

Christopher:

We are very happy for the kind of person you have always been. We are very proud of you, of your accomplishments. Your education is your best investment. Good luck in all your future endeavors. You are an amazing son and brother.

GOD BLESS YOU!

LOVE YOUR LIFE!

With love,
Mom, Dad, and
your dearest sister Kat

Son • Brother • Firefighter of the Year
• Humanitarian • Friend of Ben

"Remember, focus on the POSITIVE."
—Ben Stowell

Love,
Your Family

Brian L. Carey

300 Boston Post Road

West Haven, CT 06516

John R. Cooper
300 Boston Post Road
West Haven, CT 06516

John,
We're all so proud of you!
Congratulations!
Love,
Mom, Dad, and Richie

Jesse Michael Cram
300 Boston Post Road
West Haven, CT 06516

Jesse Bear,
Life is about choices. We are so very proud of
the choices you've made, the goals you have
accomplished, and we love and support you in
the path you choose from this day on.
—Mum, Dad, your two sisters,
your four brothers, Gram, Nana, and Michelle

Jennifer P. Cravo
300 Boston Post Road
West Haven, CT 06516

Jenny,
We knew you could do it! We are so very proud
of you. Never stop reaching for the stars.
With all of our love,
Mom, Dad, Erik, and Wizzer

Gregg Diefendorf
300 Boston Post Road
West Haven, CT 06516

Gregg,
You will always be our Hero.
Love,
Mom and Dad

Samuel Cox

Samuel Harrington Cox

I'll love you forever,
I'll like you for always,
As long as I'm living,
my baby you'll be.

By Robert Munsch

Congratulations Sam from
Mom, Dad, Emma, and your
whole family who love and
support you always.

Erin J. Ennis

Erin,

It seems like only yesterday it was your first day of school, your first dance recital, trick or treating, days at the beach, and horseback riding.

Now you have grown into a beautiful and talented young woman, with an energy and dedication for everything you do that is truly amazing.

Congratulations, you have such a bright future ahead of you, one that is so well deserved. We love you and are so proud of you!

Mom and Dad (Firelight too)

James...

Determined, focused, funny, caring, kid brother, son, best friend. Just a few words to describe you, but not enough words to tell you how proud we are and how much we love you.

Mum, Dad, Alex, and Bert

James T. Farris

300 Boston East Road

brighter each year. We are
extremely proud of you
and know you will succeed
in whatever you endeavor
to accomplish. We love
you and pray for you
always.

♥Papi, Mami, and Juni♥

Justin O'Brien

Justin

When you were young
you had us wondering what you would be...
A spectator or a participant? Passive or assertive?
A follower or a leader?

Those answers are clearly apparent today.
But one thing we always knew
was what a great son you are
and what a remarkable young man you would grow into.
There was never any question there!
Congratulations
all our love and best wishes, today and forever.

Dad, Mom, Cory, & Kyle

Jessica Polis

300 Boston Post Road
West Haven, CT 06516

Congratulations Jessica! You have done a wonderful job in school and we are so proud of you. You have grown into a beautiful young lady who loves the Lord and shares her faith with everyone. You have been an inspiration to us all. May you continue to seek God's perfect plan for your life, "plans to prosper you and not to harm you, plans to give you hope and a future" (Jeremiah 29:11)

Love

Mom, Dad, Meghan, and Scott.

Laura Schnetzler

300 Boston Post Road
West Haven, CT 06516

Laura-

Our sweet Valentine baby girl! Still sweet as ever! The curiosity you showed as a child has continued into a curiosity of life with your chosen career in forensic science and biology. So proud of you!

Love,
Mom and Dad
XOXOXOXO

Geoffrey J. Sansone

Geoff, it is hard to believe how far you have come since you were that little boy. We are so very proud of you. Wherever you go, go with all your heart. Live your life where every tomorrow is a vision of hope.

Love,
Mom, Dad,
and Dominick

Justine Rossi

Justine,

We are very proud of you, of who you have become. We never doubted you. Congratulations.

With lots of love,
Mom and Dad

All your life you were only waiting for this moment to arise... Blackbird fly
-Domenique

Caitlin Smith

"Always the question for dancers is: can we fly?"

-Jean-Christophe Maillot,
ballet choreographer

Caitlin,

It seems that even the sky could not limit you.

We love you and are so very proud,

Mom and Dad

Karina Robinson

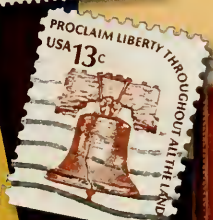

Words of wisdom to my beautiful daughter, Karina,

1. Grab life with both hands and get everything out of it that you deserve. Do not stand on the sidelines and let life pass you by; instead have the courage, confidence, and determination to fully participate.
2. Along the way, you will stumble, fall, and sometimes even fail. Never let this discourage you! With every failure, there is an opportunity to learn. Truthfully it's your ability to recover that will make you a force to be reckoned with in life.
3. I will always be here for you and will always have your back. But it's time to let you spread your wings and become the strong and independent woman that I know you can become. I look forward, with great anticipation, to meeting that new woman!
4. Your mother and I always knew that this day would come and want to remind you that you have a loving support network in your grandparents, great-grandparents, aunts, uncles, and cousins who will always offer you guidance when you ask for it.
5. Finally, congratulations on reaching this amazing milestone in your life. Not a day has passed that I haven't felt proud to be your Dad, but words cannot express the pride I feel, for your accomplishment, at this very moment.

I love you forever and ever,
Dad

PS. It's time to start repaying me for all the college loans!

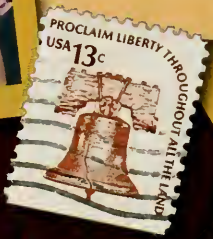

Kristen Elizabeth
Saunders

Your enthusiasm for life is contagious, your persistence in achieving the goals that you set for yourself are admirable. You have grown to become a wonderful young woman and know that you will continue to succeed as you enter the next phase of your life.

We are so proud of you and your accomplishments. We want you to know that we will always be there for you, cheering you on, lending you a helping hand when you need it and bursting with pride every time you succeed in conquering new challenges. Good Fortune, Good Friends, and above all Happiness!

Congratulations!
We love you very much.
Your Loving Family

Alyse Stewart

Alyse,

"Sooo much to say..."

We are so proud of you and all your accomplishments as you graduate in the year 2010! It's been wonderful watching "our miracle baby" grow into a confident young woman. You have great values and are truly a unique person.

"Take what you can from your dreams, make them as real as anything."

Your hard work will provide a future of endless opportunities. For every ending there's a new beginning and for every memory there's a dream ahead.

We love you THE MOST, with all our hearts and will always be there for you.

"Celebrate we will because life is short but sweet for certain."

Love Always,
Mom and Dad

Closing

To the Graduating Class of 2010 and the University of New Haven:

The end of the year has finally arrived, and with it, Volume 47 of the Chariot Yearbook. A tremendous amount of time, hard work, and effort went into the production of this book, and with assistance from USGA and support from parents through PDAs, we were able to publish in full color for the fifth year in a row. Making this book was truly the experience of a lifetime, and we would like to thank the following for all they did for us along the way:

BOB SASENA: You really went above and beyond! Thank you so much for all of your help, your swift responses to every question we asked (and we know there were a lot!), and for helping us get the software working. We couldn't have done this without you.

JOY WOOMER: You're amazing and it's been a pleasure to work with you. Thank you for looking out for us and for all of your help and support. You and your staff really spoiled us, and this publication would not be nearly as great if all of you weren't checking on our proofs. Thank you!

BETTY BACON AND AMY GILBERT: We cannot thank you enough for all of your patience and for spending countless hours on the phone and working with us via email to get YearTech up and running. This year's publication would not have been possible without you.

RICK BROOKS: Thank you for helping us design this book's beautiful cover!

BILLY FOGARTY: Thank you for answering our countless questions and for giving your honest opinions about the design and direction of the book. It was great to have you in the office again!

GREG OVEREND: GregO, it's been a crazy year, and there are not enough words to truly thank you. Thank you for everything: your patience with us, for giving us your advice and opinions when we needed them, and making the Student Activities Wing more fun. We're really going to miss you.

LISA SAVERESE: Thank you for being there for us this year and making the office more fun. It was great having you around.

THE OFFICE OF INFORMATION TECHNOLOGY: Alan, Tony, Kevin, Robert, and Shane-Thank you for all of your help with our various technology and software problems throughout the year. We really appreciate all of your help and patience. This publication wouldn't have been possible without you.

THE CHARGER BULLETIN: Zack and Erin, we couldn't have had better officemates! Thank you for "welcoming us to the insanity" with open arms and supporting us through it all. It was a fantastic year, and we're so glad to have shared the experience with you. There aren't words to describe how much we're going to miss you. And to the whole staff of *The Charger Bulletin*: You helped make the office even more fun. Thank you for all of your help throughout the year. You guys are awesome!

SCOPE: Glenn and Lindsay, you two made this year more fun. The office antics alone could fill this book. Thank you to you and all the committee heads for all of your help with photos and for supporting us through the long nights and weekends. We're going to miss you all.

USGA: Thank you for all of your patience and support throughout the year. The road to this publication certainly wasn't an easy one to travel, but you helped us out a lot by sending in your photos, write-ups, and everything else we needed. You saved us on the eve of deadline so many times, and we truly appreciate it. And to the executive board: Thank you for making each day in the office a fun one and for answering all of our questions. We couldn't have had a better group of people to work with.

NANCY BAKER: Thank you for all of your help with our senior lists. We couldn't have done this without you and we really appreciate everything.

ANDY BEARDSLEY: Thank you for all of your help with Athletics photos and rosters. We really appreciate it.

SAM CLAVER: Thank you for hundreds of fantastic photos you gave us.

OUR STAFF: We know this was a tough year, but we want you to know that we honestly appreciate each and every one of you. Thank you for all of your help throughout the year. We wish you the best of luck with next year's publication and in everything else you do!

EVERYONE WHO SENT IN PHOTOS AND INFORMATION: There are far too many of you to list, but we really appreciate your support. You helped create this publication and made this year one to treasure from every angle. Thank you!

THE CLASS OF 2010: Thank you for four years of great memories! Graduation is finally here, and the real world is supposedly just around the corner. Congratulations to all of you on your degrees and accomplishments! We wish you the best of luck in the future.

And last, but definitely not least,

OUR FAMILIES AND FRIENDS: Again, there are too many of you to list individually, but you know who you are and we want to thank you for everything. Thank you for celebrating with us during the good times and keeping us going through the tough times. There is no way we would have made it here without you. We love and appreciate you all. **THANK YOU SO MUCH!**

Adieu! Adieu! Parting is such sweet sorrow,

Rachel and Jessica

Rachel Barton and Jessica Negrón

P.S. We would also like to thank PhotoXpress for all of the fantastic stock photos we used for this book. Without this website, this book would be ugly.

Thank You and Good Night! 215

STOP WAYS TO SAVE ENERGY

- 1 Turn off the lights when no one's in the room.
- 2 Carry a reusable tote bag when you go shopping.
- 3 Bike or walk instead of driving.
- 4 Get a reusable metal water bottle.
- 5 Unplug and shut down electronic devices when not in use.
- 6 Buy music online instead of purchasing CDs.
- 7 Use rechargeable batteries instead of disposables.
- 8 Replace standard light bulbs with compact fluorescent bulbs.
- 9 In winter, turn down the heat and wear more layers.
- 10 In summer, set your air conditioner thermostat to 72° or higher.
